My Resume ↓

Introduction

About Me

Hi, I'm Sumant Kumar — an artist at heart and a tech enthusiast by passion. I'm currently pursuing my B.Tech in Computer Science and Engineering, where I explore the blend of creativity and technology. From designing visually appealing projects to building functional digital solutions, I love turning ideas into reality. When I'm not immersed in code or design, you'll find me sketching, experimenting with creative concepts, or learning something new to challenge my limits. I enjoy working independently, but I value collaboration when it means creating something extraordinary. My goal is simple: to create meaningful work that inspires, solves problems, and leaves a lasting impression.

Languages

C, C++, Java, Python,

Education

B.Tech in Computer

Project

Built more than 5

Skills

Core capabilities that drive innovative and effective digital solutions

An integration of technical proficiency and creative innovation, these skills encompass the tools and technologies I employ to design, develop, and deliver effective, high-quality digital solutions.

Technical Skill

Python, Java, C++, JavaScript
HTML, CSS, Tailwind CSS, React
Node.js, MySQL, MongoDB
Git/GitHub, VS Code
